To ensure a smooth closing, be sure to check with your lender for any items required for the final approval process. At the closing, be sure you have your photo ID for notary verification and a cashier's check for the correct amount, made out to Premier Title. If you have any questions, ask to speak with your Premier Title representative. We'll be happy to help with any questions you have.

Hurricane Season

AFTERMATH — Our hearts go out to everyone who suffered through the tragedy of the hurricane...and are in the process of rebuilding their lives...homes and businesses. Their disaster has been a lesson for all of us. For every tragedy...we've seen a miracle...and everywhere neighbors helping neighbors...to survive and re-build. United in our compassion for those who continue to struggle with Ida's aftermath, we must look to our future with hope and come together as a nation.

LIFE — For those observing the devastation of the hurricane from afar, it's genuinely hard to comprehend the personal tragedy of losing everything...from home and possessions...to family photos and mementos...and in some cases...the lives of family or friends. It's a stark reminder of the frailty of our existence...but we can be encouraged by the stories of so many survivors grateful to have escaped...and cherish the miraculous gift of life...by resolving to live every moment, value people more than possessions, and tell those around us how much we care.
